

The diagram illustrates a 3D printing farm layout. It features three main printing stations labeled C1, C2, and E. The overall dimensions of the space are 90'x55'. The layout includes a central portal area (24'x30') and three individual printing stations (14'x30'). The stations are equipped with 3D printers and a central portal. The diagram is labeled with '3D PRINTING' and '3D PRINTING'.
